

TorqTraQ[®]

Closure Testing Device

The World's first
ergonomic
hand-held
torque meter

When closures are applied to packaged products, seal integrity and ease of removal are concerns in the marketplace. The **TorqTraQ[®]** device serves both of these needs in an easy-to-use, cost effective, and reliable package.

ROBUST SOFTWARE PACKAGE

- Generate Reports
- Archives & Organizes Data
- Configure Device

The **TorqTraQ[®]** device uses specifically designed chucks which positively engage the closure. This unique design eliminates the variability of manually gripping closures and improves measurement reliability.

- Compact & lightweight
- Ergonomic design
- Reliable test measurement
- Water resistant
- Capper setup feature

Eliminates the variability induced by gripping the closure
